B-13-441 USA v. Mirtha Veronica Nava-Martinez

[Michelle]

Hello Mommy. How are you, Mommy? Are you almost coming out, Mommy?

I love you so much Mommy.

I love you so much Mommy.

I pray to God that [you] get out.

I'm sending you a heart, Mommy.

I miss you so much. I love you so much.

I'm sending you this small letter.

I want us to be together, Mommy.

Always together, Mommy.

Mommy, I am going to go see you and the horses I drew, that one is you and me and Nocardio Neli and Michelle, and you will always be in my heart and when we are together, no one is going to set us apart. Without you I feel lonely and I miss you so much. Mommy, I want to eat the tacos.... Mommy the school we are going to, it looks a little run down and we are going to study hard because I feel bad that you are there and I love you and remember what you said, that we should be strong. I love you.

*[on the bottom of the letter there is a picture of two horses, one with a label which reads: "**Mommy**" and the other reads: "**Me, your queen**".]*

[Nayely]

How are you Mommy? When are you getting out of there? And Daddy doesn't want to take a picture of us to send it to you. I miss you so much and I love you. I already want to be with you Mommy. I already want us to be together with you Mommy and I miss you so much. We are going to be together forever with you Mommy. I'm going to dream for you and we are going to be together in a house and God is going to take care of you. You are always going to be in my dream. And I'm going to miss you when I dream about you and may God keep you, that nothing happens to you and help my Mom.

*[on the bottom of this page there are some drawings; a heart which inside reads: "I miss you so much" and another of a person sleeping on a bed which reads: "You are always going to be in my dreams".]*
